All schools will be allowed (1) automatic entry (per division / per gender), IF your team had NO other qualifier. Example: Johnny, a Cub Boy has qualified in the 100M, 200M, Long Jump & High Jump, but due to the individual entry limitations he may only compete in (3) individual events. Johnny selects to compete in the 100M, 200M & High Jump. If your team has NO other Cub Boy "qualified" in the Long Jump, you may enter a Non-Qualifier. Non-Qualifier Athletes must have a "mark or time" for an entry.
